

This is PINNER PARK INFANT & NURSERY SCHOOL Publication Scheme on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

- *School Prospectus* – information published in the school prospectus.
- *Governors' Documents* – information published in governing body documents/policies.
- *Pupils & Curriculum* – information about policies that relate to pupils and the school curriculum.
- *School Policies and other information related to the school* - information about policies that relate to the school in general.

3. How to request information

The school's website publishes a wide range of information about the school, its procedures and its policies. If information within the publication scheme cannot be found there, or if you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below

Email: office@pinnerparkinfant.harrow.sch.uk

Tel: **020 8863 2191**

Fax: **020 8863 6391**

Contact Address: **Melbourne Avenue, Pinner, Middx. HA5 5TL**

To help us process your request quickly, please clearly mark any correspondence **“PUBLICATION SCHEME REQUEST”** (in CAPITALS please)

If the information you are looking for isn't evident or available via the scheme or on our website, then a Freedom of Information (FOI) request is needed. This must be in writing and must contain the requestor's name and contact details; either postal address or email address for the response to be sent.

All FOI requests must be responded to by us within 20 working days from receipt (excluding school holidays).

4. Paying for information

Information published on our website is free.

Single copies of information covered by this publication are provided free unless stated otherwise. Information can be provided electronically via e-mail but if the request requires a lot of photocopying / printing, there is a large postage charge or is for a priced item such as some printed publications or videos, the school will notify the requester of the cost before fulfilling the request. If the time taken to prepare information exceeds 15 minutes, then administration costs may be incurred.

6. Withholding Information

The FOI Act contains 23 exemptions whereby information can be withheld. There are two categories: absolute and non-absolute. We will only withhold information if it falls within the scope of one or more of these exemptions. Complete files or documents will not be withheld just because part of the information is covered by an exemption.

An exemption will only be applied where we have reason to believe that prejudice might occur to the interest protected by the exemption. In addition, wherever a "public interest" exemption is being considered, we will only withhold that information which it can demonstrate that the public interest will be best served by withholding. When considering withholding information under a non-absolute exemption we will take into account whether the release of the information would:

- promote further understanding of current issues of public debate;
- promote the accountability of decisions taken by us and the spending and allocation of public money;
- bring to light matters of public safety;
- allows the public to understand and challenge decisions made by us;
- be otherwise in the public interest.

Where information is withheld under an exemption in most cases the reason behind the decision will be made clear to the applicant, citing the exemption under which the information is being withheld.

7. Feedback and Complaints

We welcome any comments or suggestions you may have about the scheme. If you want to make any comments about this publication scheme or if you require further assistance or wish to make a complaint then initially this should be addressed to the Headteacher – Miss Karen Disspain.

If you are not satisfied with the response that you get or if we have not been able to resolve your complaint and you feel that a formal complaint needs to be made then this should be addressed to the Information Commissioner’s Office. This is the organisation that ensures compliance with the Freedom of Information Act 2000 and that deals with formal complaints. They can be contacted at:
