March 2018

Dear Parents/Carers

This year, Sport Relief is on Friday, 23rd March. This is one of the charities that we are regularly involved with.

The theme is 'Whatever Moves You'. We would like the children to wear sports clothes to school on the day and bring £1 to donate to the charity. Children will then participate in P.E. and dancing activities; of course, the staff will also be involved!

Please remember that the children will still be involved in the normal routines of the day so sensible footwear is required.

Thank you for your support.
