

# Funding for the PE and Sport Premium

Schools receive PE and Sport Premium funding based on the number of pupils in school. Schools must spend the additional funding on improving their provision of PE and sport but have some freedom to choose how they do this.

The funding is used to provide a dance and fitness coach and a coach to teach gymnastics and athletics.

Funds have also been used for equipment and activities that promote sport and physical fitness.

## Objectives in spending PE & Sport Premium

To:

- ensure all children have access to high quality PE teaching
- support children to develop skills, confidence and enjoyment in sport and physical activities
- provide opportunities for children to use their skills in a variety of ways - including performance at sports day and exhibitions to parents
- provide opportunities for structured and unstructured activities
- provide professional development for staff as they work alongside professional coaches
