

## Jewellery

Please ensure your child is **NOT** wearing hooped or dangling earrings—studs only. Bracelets and necklets should be removed for school.

## Boots

If, on cold or wet days, your child comes to school in boots or “wellies”, they should also bring their school shoes to change into during the day.

Fashion boots are not suitable for wearing all day in school—shoes should be worn.

## After School Clubs Provision of snacks

Many of you provide a snack for your child to have before they go to an after school club. Please make sure that this *is* just a snack—some children are bringing quite a lot to eat.

A snack will give them a boost before a club starts—if it is anything more substantial it could cause indigestion.

Substantial snacks also take a long time to eat so the club cannot get started as some children are still eating.

The snack is eaten while the children are sitting on the floor so please make sure that it is something that is easy to open and that won't make a mess.

## Performances through the Year

During the year each year group gets the chance to perform for their parents/carers—for Christmas, Special Assemblies and Leavers' Assemblies.

### Christmas

**Year 1** will be taking the lead and doing the main performance. Their Sing-a-long is a performance of 'Happy Birthday Jesus'.

Letters for all the performances have gone out, dates are on the Dates to Remember section of this newsletter, and have been on the Website since the beginning of term.

### Spring

In the Spring Term the **Reception** children will have their main performance when they invite you to their Spring Assembly.

### Summer

In the Summer the **Year 2** children will perform for their Leavers' Assembly. Year 2 will also invite you to see what they have been doing in their African Drumming and Dance / Dance and Fitness sessions.

## Family Afternoon

**Friday 8th December from 2.00pm to 4.00pm**

If you can volunteer to help please contact the PTA
