

# PINNER PARK INFANT AND NURSERY SCHOOL

## Pupil Premium Plan – 2018-19

<b>Number of pupils and pupil premium grant (PPG) received</b>	
<i>Total number of pupils on roll</i>	<i>412 children</i>
Total number of pupils eligible for PPG	<i>9 children (Reception to Year 2)</i>
<b>Total amount of PPG received</b>	£11,880

<b>Nature of support</b>
Academic - in class and / or small group from a TA / additional teacher.
Counselling - sessions with the school counsellor to support long-term issues / issues as they come up in relation to home life and / or school.
Social Skills - small group with a TA to develop social skills and self-confidence in order to build secure successful relationships with friends, peers and adults.
Behaviour - small group / one-to-one work on behaviour management and self-control skills in order to manage feelings appropriately to become more controlled.
Personal development - fund attendance at extra-curricular clubs to broaden experiences, develop identified strengths / skills and give opportunities for the future.
Inclusion - fund school trips / visits to support curriculum and life skills.

<b>Curriculum focus of PPG spending</b>
Improve and expand language and develop structure in writing.
Correct misconceptions and gaps in mathematical understanding and use of skills, and practise new skills for reinforcement.
Develop fluency, confidence and skills in reading as well as discussing books to develop comprehension and understanding.
Develop a bank of strategies for learning spellings and support use of learnt spellings.

## Measuring the impact of PPG spending

The school will evaluate the impact of each intervention on each pupil at the end of each term, and adapt provision as required.

Academic progress will be monitored through judgements against the National Curriculum and EYFS Curriculum Standards, identifying the small steps of progress from the child's starting point.

PSHE progress will be measured against specific targets for the individual children in relation to their needs.

**The number of children on Pupil Premium is low, therefore care is taken in reporting the support and outcomes in order not to identify individuals.**
