YEAR 2 'HABITATS'

7th March 2019

Dear Year 2 Parents/Carers,

The children (and you!) worked hard over the half term holiday and have produced some amazing Habitats in response to the Home Activity task.

The children have had a chance to show theirs to their classmates and explain what they are all about.

We thought it would be lovely to have an exhibition, so the Habitats are all going to be displayed in the hall for the whole school to see. We would also like to invite you to the exhibition to have a look at the displays all the children have made.

On **Wednesday, 13th March**, please pick up your child at the normal time and come to the school hall to look at the exhibits.

We look forward to seeing you there.

Yours sincerely,

Margaret Tait
Acting Headteacher
