Summer Fair Plans – Stall allocations

Every year the School Summer Fair is a huge success because of everyone's contributions. This is what YOU can do to help this year.

Once again, all classes have been assigned a stall to manage and run for the duration of the fair. Please see overleaf for your stall on the stall allocation list.

Now is your chance to support this amazing annual event. It's a four-hour fair and we need at least three volunteers per hour for majority of the stalls. So **please sign-up for this** – either yourself, or call on friends and family. There are lots of ways you can get involved on your stall, see the list below. You can:

- volunteer an hour or more on your stall
- create signage
- join the 'sorting team' on Friday 14.06.19 afternoon, from 1.30pm
- organise the rota
- plan the stall
- help to set up from 8am on 15.06.19
- clean up the stall after 3pm at the end of the fair

Please sign up for your class stall and get involved in making a difference. A sign-up sheet has been sent by WhatsApp to the Class Representatives, so please let your class rep know your availability. If you're not on your class WhatsApp group and want to get involved, please get in touch by email on pppta@outlook.com. Don't forget to state the name and class of your child/children on the email, and a contact phone number.

This is a great opportunity to meet your children's friends, other parents and help to raise loads of money, ALL of which directly benefits our children.

Let's work together to make each stall a successful part of the fair!

Calling all employed parents! We can raise more funds for our children's school via Matched Funding. All it takes is a conversation with your HR department so please do get in touch with them.
